

REMARKS

Claims 1 to 21 are pending in the application.

The purpose of this amendment is to insert the cross-reference to the parent application of which this is a continuation, to place the application headings in appropriate U.S. form, and generally to place the specification and claims in proper U.S. form and delete the multiple dependent claims in this application, and thereby eliminate excessive claim fees. Such amendments are formal in nature and no new matter is added by any of the above amendments. A marked-up copy of the substitute specification is enclosed to reflect these amendments. Entry of this amendment and early examination of this application are respectfully solicited.

Respectfully submitted,

Christophe MOUSTIER, et al.
